# PRIVATE TREATY BULLS

Thank you for your interest in our program! If you missed our regular season sales, here is your opportunity to own a bull with THE brand!

You will notice that some bulls have PAP scores included in their pedigree boxes, those bulls were tested in Laramie, Wyoming at 7200 feet last November. These bulls are available on a first come basis and can be viewed in Arapahoe, NE at Anderson Livestock by appointment. Please contact Bobbi or Deryl to set up a time to view the cattle.

All bulls in this offering have been semen tested and are ready for turnout.
